## Happy Fourth of July!

### Thank You

I would like to say Thank You to everyone for your understanding with the abrupt closing the week of the 19<sup>th</sup>. I know how difficult it can be to rearrange your schedules without notice, and I appreciate all of your support. ☺

### July Closures

I will be closed in observance of Independence Day on **Tuesday, July 4<sup>th</sup>** - this is a paid holiday. I hope everyone has a safe, relaxing, and FUN Fourth of July!

### \*August Closure - Change

Due to a scheduling conflict with the doctor's office, we've had to reschedule Silas' cardiologist appointment to **Tuesday, August 8<sup>th</sup>** instead of *Tuesday, August 1<sup>st</sup>*. I apologize for any inconvenience this may cause. Please speak with me if you need assistance finding back-up care for the day and I will do my best to help you. Thank you!

### July Birthdays!

Happy Birthday to Jordan and Madisson! Jordan will be turning 4 on July 6<sup>th</sup> and Madisson will be turning 8 on July 1<sup>st</sup>.

We will celebrate Madisson's birthday with birthday brownies in the afternoon on Friday June 30<sup>th</sup>, and we will also celebrate Jordan's birthday with cupcakes in the afternoon on Thursday the 6<sup>th</sup>! ☺

### Zoo Photos

I should hopefully have the photos of our zoo field trip posted on the website sometime this month. Unfortunately, when we went to the zoo I forgot to bring the memory card for my digital camera and ended up having to purchase a disposable camera to take pictures.

I have just finished using up the film and will need to develop them and then scan them in the old fashioned way, so it may take me a bit of time. ☺

### Sad Goodbyes

We must say a sad goodbye to our good friend Mira. She and her family will be moving to Alaska, her last day with us will be Friday, June 30<sup>th</sup>. She will be missed by all of us here very much. We wish her and her family all the best! ☺

## High Reach Learning Workbooks

I have ordered Traditional Handwriting workbooks from High Reach Learning for the children to work on through out the summer just so we don't "wander" too far from what we have learned. I hope to receive these workbooks next week so we can begin working on them periodically.

Also, we will be doing some fun stuff with insects - I will be purchasing some bug homes for each child and will be encouraging the kids to find different kinds bugs in the back yard. 😊

**Have an absolutely FUN Fourth of July!**  
**Babette**
