Happy Birthday to Tristin and La'trelle! La'trelle will be turning 4 on June 11th and Tristin will be turning 4 on June 14th.

Since I will be closed the week of their birthdays, we will be celebrating La'trelle's birthday on Tuesday the 6th with cupcakes in the afternoon and Tristin's birthday on Friday the 9th also with cupcakes in the afternoon. ☺

Summer is here!

Summer and warm weather is here! Please check your child's cubby to ensure that he or she has an appropriate change of clothes i.e.: shorts, t-shirt, etc.

Also, if you have an extra **SWIMSUIT** and **SUNHAT** that can be left here for your child please bring them in. We plan on playing in the water quite a bit this summer!

Father's Day: When I was...

- Four years old: My daddy can do anything.
- Five years old: My daddy knows a whole lot.
- Six years old: My dad is smarter than your dad.
- Eight years old: My dad doesn't know exactly everything.
- Ten years old: In the olden days, when my dad grew up, things were sure different.
- Twelve years old: Oh, well, naturally, Dad doesn't know anything about that. He is too old to remember his childhood.
- Fourteen years old: Don't pay any attention to my dad. He is so old-fashioned.
- Twenty-one years old: Him? My Lord, he's hopelessly out of date.

When I was (cont)...

- Twenty-five years old: Dad knows about it, but then he should, because he has been around so long.
- Thirty years old: Maybe we should ask Dad what he thinks. After all, he's had a lot of experience.
- Thirty-five years old: I'm not doing a single thing until I talk to Dad.
- Forty years old: I wonder how Dad would have handled it. He was so wise.
- Fifty years old: I'd give anything if Dad were here now so I could talk this over with him. Too bad I didn't appreciate how smart he was. I could have learned a lot from him.

HAPPY FATHER'S DAY!

-BABETTE
