### November Preschool Lessons

This month we will be focusing on the following:

Letters: G, H & I	Color: Brown
Numbers: 5 & 6	Shape: Rectangle
Opposite: Cold-Hot	Self Study: My Feet
Safety Issues: Stop Sign	Exploring: Snow
Matching: Balls	Community: Doctor
Animal Study: Hippopotamus	Animal Study: Gold Fish
Special: Pilgrims & Native Americans	Special: Five Senses
Food Study: Fruit	

In addition to the above lessons, the children have been practicing using scissors, and learning to draw lines. Later in the season (probably January/February) when the children are comfortable with making purposeful marks such as lines and circles, we will begin to practice writing our names.

Please be sure to help your child at home to reinforce what we are learning here. Thank you!

## **Snow and Cold Weather is here!**

We had our first snowfall this year earlier this month! Please be sure to dress your child according to the weather as we will visit the outdoors for a minimum of 10 minutes per day (with the exception of severe weather).

We LOVE snow here, and love to go outside and play in it for short periods of time. If there is snow on the ground or it is muddy, please bring snow boots for your child if available. Also be sure to have mittens and a hat for your child each day as the weather tends to be unpredictable. If you have an extra hat and set of mittens, you are more than welcome to leave them here in your child's cubby to prevent leaving them at home.

I look forward to sharing lots of pictures of the kids having fun in the snow this year! Thank you! ☺

## **Happy Thanksgiving!**

We will have a "Thanksgiving Feast" on Wednesday the 23<sup>rd</sup> for lunch. Our feast will consist of turkey sandwiches (in the shape of a turkey!), mashed potatoes, and yummy cranberries. The children will be encouraged to dress as Native Americans and Pilgrims. If you have any items at home to add to our costumes, please bring them in!

***Have a great month and a Happy Thanksgiving!***
